

**To our Army Family,**

**Happy New Year! We hope you all enjoyed the holiday season.**

**The end of the year allows us time to be thankful for our good fortune throughout the past year. It is also an opportunity to reflect on the strong partnerships we sustain with our wonderful Army Family.**

**When we think of our Army Family, we are reminded of the sacrifices each family makes in support of their Soldier. Their readiness and resilience to take on new challenges in the coming year is built on the foundation of Family.**

**Holly and I would like to thank you for your energy, commitment, and dedication to our military families.**

**We hope that the New Year brings you continued happiness, health, and success. We look forward to working with you in the year to come.**

**Please continue to keep our deployed Soldiers and their Families in your thoughts.**

**Sincerely,**

**Hollyanne Milley and Holly Dailey**
